

FUMECUBE-SINGLE ARM \$1495

Controls
Visual and Audible Filter Blocked Warning
Alerts the operator when a filter starts to block so that a replacement filter can be acquired and downtime can be avoided.

LED Filter Status
Green = Filter OK
Yellow = Filter Nearly Full
Red = Filter full, replacement required

System Features:

- Automatic electronic flow control—maintains a constant rate even as the filter blocks
- Adjustable airflow
- Low capital and running costs
- Quick change pre-filters deliver longer filter life
- Submicronic (HEPA) filtration removes 99.997% of particles down to .03 microns
- Activated carbon filtration removes harmful gas
- Simple to install and quiet in operation
- Precision made from stainless steel

Supplied free with machine:
1 x Main Filter
2 x Labyrinth Pre-Filters
1 x Connection Kit
1 x Power Cable

200 ALPHA \$2367

Controls
Visual and Audible Filter Blocked Warning
Alerts the operator when a filter starts to block so that a replacement filter can be acquired and downtime can be avoided.

LED Filter Status
Green = Filter OK
Yellow = Filter Nearly Full
Red = Filter full, replacement required

System Features:

- Automatic electronic flow control—maintains a constant rate even as the filter blocks
- Adjustable airflow
- Low capital and running costs
- Quick change, patented Labyrinth pre-filters deliver longer filter life
- Submicronic (HEPA) filtration removes 99.997% of particles down to .03 microns
- Activated carbon filtration removes harmful gas

Supplied free with machine:
1 x Main Filter
2 x Labyrinth Pre-Filters
1 or 2 Arm Kit
1 x Power Cable

200i (DIGITAL) \$3915

Digital Control System

A dedicated control, monitoring and display systems. All functions are fully automatic, all the user has to do is set the appropriate airflow on installation. The features of this system are designed to:

- Lower energy consumption by using variable speed motors and automatic flow control
- Increase filter life by using the optimal extraction rate
- Further protect people by constantly monitoring exhaust emissions
- Interface with laser system
- Maintain a constant extraction rate to prevent fume escape or damage to equipment

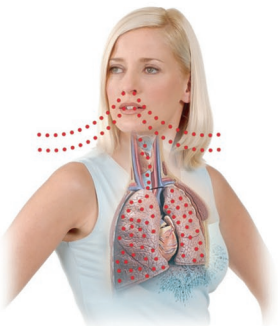

System Features:

- Automatic electronic flow control—maintains a constant rate even as the filter blocks
- Adjustable airflow
- Clear and informative graphic display
- Gas and partic
- Low capital and running costs
- Quick change, patented Labyrinth pre-filters deliver longer filter life
- Submicronic (HEPA) filtration removes 99.997% of particles down to .03 microns
- Activated carbon filtration removes harmful gas
- Simple to install and quiet in operation
- Precision made from stainless steel

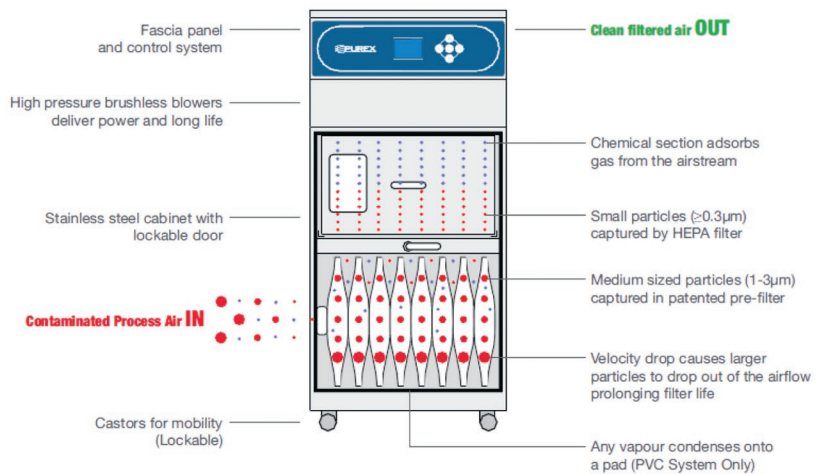

Supplied free with machine:
1 x Main Filter
2 x Labyrinth Pre-Filters
1 or 2 Arm Kit
1 x Power Cable

400i (DIGITAL) \$4653

Possible effects of fumes to health

- Headaches
- Eye irritation
- Dermatitis and acne
- Respiratory damage
- Lung damage
- Occupational asthma
- Sore throat
- Sionasal cancer
- Nosebleeds

Purex Filtration System
